

Garden Rig Competition, Terms and Conditions.

- All entrants to 'The Reaper' on 14th April 2018 (who have registered online by 11pm on 11/4/18) will be entered into a prize draw to win a 'Garden Rig'. Only one entry per person.
- The winner (just one) will be drawn at random during the event on 14/4/18.
- The winner will be announced on the public address system at the event.
- If the winner is not present at the time of the announcement the winner will be informed via email during the week following the event.
- All entrants are responsible for making sure their contact details are correct on our booking system.
- If the winner does not want the prize, another name will be drawn at random.
- If, following reasonable attempts, we are unable to contact the winner within 1 week of the draw the prize will be transferred to a second winner who will be selected at random.
- The prize is as stated, it cannot be transferred to another individual and there is no cash alternative.
- The winner agrees to the use of their name and photograph by Reaper OCR Ltd and it's affiliates in post-winning publicity.
- The rig that is supplied will be as close in design as is reasonably possible to that featured in the promotional video.
- The rig can be supplied in free-standing or fitted form. This will need to be confirmed by the winner before delivery.
- The rig will require an outdoor space approximately 4m by 5m.
- The winner shall have sole responsibility of ensuring that all necessary permissions are obtained prior to fitting of the rig. Confirmation of this will need to be supplied in writing before the rig is delivered.
- The winner must assume responsibility for safe and sensible use of the rig.
- Reaper OCR Ltd and it's affiliates will not be liable for any injury associated with use of the rig, howsoever caused.
- The rig will be fitted free of charge up to a distance of 50 miles from The Obstacle Gym in Lutterworth (as per Google maps). Travel over and above this will need to be subsidised by the winner at a rate of 40p per mile.
